# Stories are all we need.

Welcome to York Press, exclusive representative of Pearson ELT, Higher Education & International School courses in Greece.

Being involved in people's education for quite a long time, we now know that learning is personal - and **storytelling** is one of the most powerful tools to **engage, empower** and **encourage** children to shape their own learning journey.

This is why we're proud to be working together with Pearson, a global company that partners with top content creators like **Disney** and the **BBC Studios**. The result is a wide range of exceptional print and digital materials, based on great fantasy stories we love and others that bring the real world into the classroom.

At the same time, as York Press, we remain committed to supporting your work locally, under any circumstances. We keep investing in **flexible materials** that are easily adjustable to any ELT classroom set up these days. We'll also keep re-inventing ourselves to offer you **customised educational services** that will make your own lifelong learning meaningful again.

Thank you for your trust.

36 titles over 6 Levels

Delve into exciting Disney adventures and learn English with your favourite Disney characters!

*Disney Kids Readers* for Young Learners use beautiful artwork from animated Disney and PIXAR films, helping students expand their reading in an engaging and motivating way.

***English has never been so much fun!***

## What makes *Disney Kids Readers* special?

- They help children develop strategies to understand, analyse and evaluate text.
- They support word recognition and vocabulary extension and they help to address the 'word gap'.
- They include targeted four-skills activities.
- They help build a deeper understanding of fiction (structure/plot/context/characters) and the ability to analyse/evaluate using critical thinking/creative skills.
- They cultivate future skills such as creative thinking and social responsibility.
- They are accompanied by a Workbook and a Teacher's book (printed and flip book) so that each reader can be used as a full course.

## The new way to teach English

A game-changing platform, giving you the ultimate flexibility to teach English effectively in the 'new' hybrid classroom in a highly communicative and interactive way. It takes good teaching practice from an in-person space to an online space. A first for English language learning solutions.

## Designed to build confidence

### Fully interactive digital experience

- Learner's eBook and online practice are fully interactive and report to a grade book.
- Teacher and learners have identical views, avoiding guess work, whether on desktop or mobile.
- Multiple ways to navigate and access content plus accessibility features for learners who need them.
- Enriches paper coursebooks for young learners with animated rewards and various activities to increase motivation.

### Makes online teaching as effective as in-class

- The presentation tool is equally effective in a face-to-face lesson or shared in a virtual class.
- The virtual classroom includes breakout rooms, chat, online whiteboard and 'live questions'.
- Ability to upload – and even assign – teacher-created content means teachers can personalize their lessons.
- Primary-friendly user experience.

### Monitoring progress and performance

- Live tasks in the virtual classroom are a truly unique feature to empower teachers to tailor their lessons in real time.
- One single platform to assign in-class, homework and test activities brings everything together in one place.
- Lesson reports and gradebook are key for parents and teachers to see young learners progress.

### Removes the stress

- Pearson English Connect delivers everything you need – all in one place! No need to log into multiple tools.
- Hybrid teaching is made easier with the ability to move seamlessly between in-classroom and online teaching.
- The downloadable app enables teachers to confidently work offline, whatever the connection status.

## #BeYourselfInEnglish

- Fully interactive digital experience
- Monitoring progress and performance
- Makes online teaching as effective as in-class
- Removes the stress
- Effective and easy-to-use digital experience
- Everything you need in one place
- Build learners' confidence in real-time

## Our promise to you

At Pearson, we are committed to providing the best customer experience and support possible for our community members.

### Easy to use platform

Pearson English Connect has been designed with usability at its heart. It is easy to access and use, with tutorials built into the system for all new users.

### Onboarding

Our top priority is getting your teaching staff on to the platform with ease. Our customer service experts run onboarding webinars to set you up for success.

### Ongoing tech support

Our highly skilled technical support teams are on hand to provide you with immediate support, through our live chat and phone channels, across 9 languages.

## The latest technology for blended learning

A fully interactive, digital experience, effective both in and out of the classroom. Identical views for teachers and learners helps with assigning activities and giving real-time feedback to learners.

Monitor learners' progress and performance in the gradebook and empower learners to thrive and watch their confidence grow with Pearson English Connect.

Pearson English Connect is a replacement for our older digital platforms Pearson English Portal (PEP) and MyEnglishLab (MEL). You can use the same link to access them.

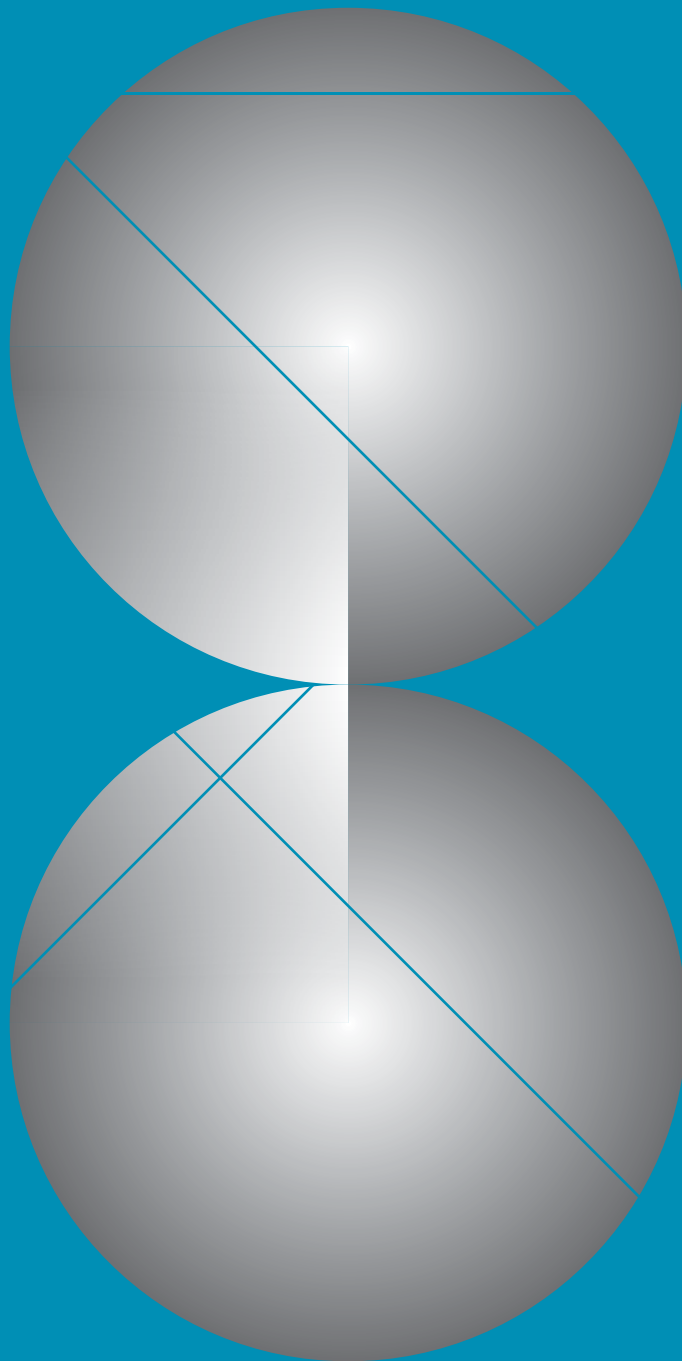

Explore an engaging Speakout lesson on the Pearson English Connect platform with interactive features, both for desktop and mobile.

## Learn and grow together with your Disney Friends

*My Disney Stars and Friends* brings together the magic of Disney and the rigor of Pearson educational content to give learners a fun and motivating start to language-learning. Simple, flexible and easy to teach, the series include clear classroom routines supported by carefully structured lessons.

- ✓ **Flexible teaching;** lessons ranging from 2-5 hours a week help teachers tailor their approach to both their students' needs and teaching contexts.
- ✓ **Engaged children will learn better;** Disney characters are instantly recognisable and help establish a known context for new language, making children feel safe and comfortable.
- ✓ **Teaching real-life values through stories;** all Disney adventures feature relatable role models and can be used as a starting point to talk about behaviours.
- ✓ **Equipping children to have fulfilling lives;** the focus on future skills such as self-awareness, social awareness, persistence and growth makes children feel emotionally supported.

## Let's blend! Let's read!

*York Phonics* teaches young learners how to read using modern teaching practices and the most up-to-date research in phonics for children learning English as a foreign language. The course can be used alongside any pre-school or junior course where additional input in phonics is required.

- ✓ Four core units with 8 lessons each
- ✓ Enjoyable and stimulating activities for young learners, including **games, chants, songs** and **mazes**, boost learning opportunities.
- ✓ Engaging and fun **animal characters** help children as they learn.
- ✓ **York Phonics 1** teaches the letter sounds of the alphabet. Pupils are taught to blend letters into simple and high frequency CVC (consonant-vowel-consonant) words along with 'tricky words' in context.
- ✓ **York Phonics 2** builds on the work from level 1 with presentation of common vowel digraphs and consonant clusters, along with more 'tricky words'.

## Learning together, succeeding together

*Team Together* develops language alongside 21<sup>st</sup> Century Skills to help students thrive in today's world. Pupils are challenged to communicate creatively in authentic contexts, think critically and work together to get results.

- ✓ Integrated **CLIL concepts**, **English in Action** and **Culture lessons** empower children to produce language in wider contexts with growing confidence.
- ✓ **Age-appropriate stories** with inquisitive characters and a variety of text genres motivate pupils to read.
- ✓ **Scaffolded grammar** and **vocabulary** lessons set out a clear path for progress and prepare children for success in exams.

## Learn, think, question and create

Learn English through creative tasks, investigation, projects and experiments with *English Code*. Based on a syllabus that includes built-in STEAM, the series drives learners' natural curiosity about the world around them.

- ✓ **The coding mindset** teaches students resilience, collaboration and problem-solving from the domain of computational thinking.
- ✓ **Creativity** helps them to develop their potential by exposing them to a variety of arts, and encouraging them to think imaginatively.
- ✓ **STEAM lessons with videos** in each unit enable students to consolidate their knowledge through a subject: **S**cience, **T**echnology, **E**ngineering, **A**rt, and **M**ath (**STEAM**).
- ✓ **Project-work** inspires and focuses the learning from the very start and gives students a sense of control and direction in their learning journey.

## Children love asking questions

*Now I Know!* builds on children's natural curiosity, as they answer questions about the world around them. Creative tasks have clear goals, helping teachers to guide progress, as well as children and their parents to see and celebrate achievement.

- ✓ **Inquiry-based learning:** Big Questions as unit titles encourage conversation while the stimulating curriculum supports students to achieve their full potential and develop cultural awareness.
- ✓ **BBC videos:** more than 48 authentic BBC clips empower young learners to successfully communicate in English.
- ✓ **Skills for life:** integrated 21<sup>st</sup> Century Skills help them develop essential skills for life and support classroom management.

Published by: PEARSON

## Making reading accessible to all

All *Pearson English Kids Readers* stay true to the original texts but they are always underpinned by extensively researched grammar and vocabulary syllabuses, to help students read real books in language they can understand.

- ✓ **ROALD DAHL titles:** much-loved stories from one of the most imaginative writers of our time
- ✓ **CLASSIC, CONTEMPORARY & ORIGINAL titles:** children can enjoy tales and characters they know and love as well as discover new adventures
- ✓ **CLIL titles:** children improve their English while learning about science, nature and other cultures
- ✓ **POPTROPICA ENGLISH titles:** perfect partners to the *York Islands Gold* and *Poptropica English Islands* series or just great to read on their own
