

2026 Product Catalog

As an official LEGO® licensing partner since 2010, we have been creating playful, colorful lifestyle products for kids and adults, bringing the iconic LEGO DNA into living spaces.

Our LEGO collection allows consumers to engage with the well know LEGO brand across more aspects of daily life. Inspired by the imaginative world of LEGO play, we design a broad assortment of products that fill everyday moments with creativity and fun.

Closely linked to the LEGO design universe, the products we create take the LEGO experience a step further transforming functional objects into joyful expressions of the LEGO brand. Made with children in mind yet loved by adult LEGO fans, our collections invite everyone to bring a touch of playful imagination into their home and daily routines.

We are excited to present our LEGO® Felt Storage collection, the newest addition to our storage category. With this felt collection, we have stayed true to the iconic LEGO design, colors, and recognizable prints, while adding a new perspective by introducing a material made from 70% recycled felt. The collection includes a soft Storage Brick and Storage Head, offering practical solutions for storing LEGO bricks. The felt material helps reduce noise and creates a calmer, more focused play experience. The LEGO Felt Storage collection is compatible with our original Bricks and Storage Heads, inviting consumers to mix and match according to their preferences.
